

## Alex Brittain-Catlin

**Alex Brittain-Catlin** is a Senior Performance Consultant at Promote International. His principal areas of expertise are with the design, implementation, and evaluation of Learning and Development Initiatives.

Alex has worked for many of the leading companies headquartered in Scandinavia, such as Orkla, SAAB, Volvo, SKF, Mölnlyke Health Care and Husqvarna, as well as elsewhere: Traton and Roche.

Since 2006, Alex has been responsible for the creation and implementation of L&D initiatives, including: Leadership Programs, coaching senior management, working with management team development, and designing and running leadership events. These have included the application of various methodologies and approaches, as well as the move into digital learning and how to truly drive performance from training.

Alex is a graduate of Oxford University, and has certifications in Champion, Silver, and Practitioner from the Brinkerhoff High-Performance Learning Journey, as well as the Kirkpatrick Bronze certification.
