

Program Description

Training is still "on trial," charged with incurring expenses in excess of the value it provides to the organization. Training must reinvent itself and transcend the classroom.

Attend this hands-on workshop to learn tactics for building programs and initiatives that enhance on-the-job performance and impact the bottom line. The information and activities included in this workshop focus on specific tactics at Levels 3 and 4. You will learn ideas that all professionals can implement in their own organizations.

Whether you are new to learning and development or an industry veteran, this workshop will teach you the newest and most powerful ways to implement the four levels, directly from the creators of the Kirkpatrick Model.
